6:45 pm to 8:00 pm Annual Meeting

Hubert H. Humphrey Center,
University of Minnesota

RSVP by downloading and completing the PDF form at: <http://www.mpha.net>

The reception and annual meeting will begin at 5:30 pm in the Humphrey Center Atrium. We hope you will join us to recognize the outgoing governing council members, welcome the new governing council members, and conduct the other important business of the association.

The reception will have hors d'oeuvres and refreshments. Dessert, fruit and coffee will be served during the meeting.

Join us prior to the meeting, at 3:30 pm, for the University of Minnesota Summer Public Health Institute's performance of *Angels and Troublemakers*.

Portraying three remarkable women in the Public Health field, actress Pippa White uses diaries, memoirs and letters to introduce the audience to Florence Nightingale, Lillian Wald, and Margaret Sanger. Whether they were called angels of mercy, reformers, or troublemakers, they were agents of enormous social change.
